

CANAMERICAN IS PROUD TO PROVIDE ONLY THE VERY BEST EQUIPMENT IN THE SLINGER INDUSTRY.

Dominate the job site with a hauling solution that defies expectations. This distinctive, mirror-polished rig combines rugged reliability with the unique versatility of a CanAmerican slinger. Whether navigating tight urban streets or tackling massive industrial projects, this trailer design delivers unmatched adaptability. Built to endure the toughest conditions while turning heads, this equipment isn't just a truck—it is the ultimate profit-generating partner for your fleet.

PRODUCTIVITY IN OVERDRIVE

DURABILITY

Built using 5454 aluminum plate, the Supreme Trailer offers a unique combination of toughness while still being lightweight. This means you get a smarter, lighter structure with high-quality performance.

VERSATILITY

Increased capacity, no material hold-ups, live-bottom, slinger – this Supreme Trailer offers one of the most versatile pieces of equipment offered on the market today!

RELIABILITY

Need troubleshooting help? Need a part shipped? Our dedicated parts and service team are on standby ready to help at a moment's notice.
